Dear Friends,

Thank you for warmly welcoming me to New York Edge. Though I only joined in June of 2019, you have truly made me feel like a member of the family. Our community of students, staff, parents, principals, supporters, and friends continually show their deep commitment to our mission and to each other. It is just one of the things that makes New York Edge so special.

In our afterschool and summer programs, we provide enriching activities in academics, sports & wellness, the arts and college access. In 2018-19, New York Edge served 42,000 students from grades K-12 in 137 schools across the five boroughs. We are a trusted member of our communities—indeed our staff comes from the communities we serve. We share the belief that every kid has talent, but not every kid has opportunity. This belief permeates all we do. It fuels our efforts to create safe, encouraging spaces for kids to discover their passions and talents, to learn to work in teams, and to develop as leaders. With us, parents feel secure that their children are in a supportive, caring environment.

Our work is possible because of you—donors who believe in our city's kids as much as we do. As we look back on the accomplishments of this year, we are grateful for your contributions and partnership. With you by our side, we are supporting children in realizing their fullest potential and taking their place as the next generation of leaders. Thank you for standing with us.

Spotlight on Big Wins
In 2019, New York Edge served 9,465 students in 107 summer camp programs at school sites across the 5 boroughs. This summer’s theme, “Saving Our Tomorrow” gave our students a voice and a space to express their creative ideas on protecting our planet; creating sustainable living spaces; designing cities; and taking ownership of our future—not just in their physical environment but also culturally. Students worked together to create visual and performing arts pieces, stop motion animation, and podcasts. Students also attended 460 theme-based trips. Our camps also provided 37 counselors in training (ages 14-16) with their first paid summer job!
The New York Edge Summer Games welcomed 82 camps and had 1,409 student and staff participants. Competitors completed 6 challenges: obstacle course, team relay race, long jump/shot put, 50m dash, tug of war, and 60m hurdles. Other fun summer activities included NY Mets Camp Day, where 684 kids were welcomed for activities at Citifield stadium. Four of our middle schools participated in a clinic hosted by former WNBA champion and 4-time Olympic medalist Tamika Catchings—58 kids had the opportunity to learn from this legendary athlete.
