

SAFETY AT NEW YORK EDGE

New York Edge is committed to the health and safety of employees, participants, and families. In preparation for a safe return to school-based programming, New York Edge has implemented robust health and safety guidelines for all programs. We look forward to welcoming participants back to safe and engaging afterschool programming at New York Edge!

MANDATORY SCREENINGS

All participants, staff and visitors entering New York Edge programs must complete mandatory screening requirements, including:

1. COVID-19 Questionnaire
2. Symptom Check
3. Temperature Check

Parents/Guardians will also be required to engage in daily Home Assessments of their participant before coming to program each day. Parents/Guardians will be required to sign an attestation form stating that the required home screenings will be completed daily.

CLEANING

The Department of Education has committed to enhanced cleaning and disinfection procedures for school buildings throughout the day and every night. New York Edge will take additional steps to ensure proper cleaning and disinfection of program spaces and supplies throughout program time.

FACE COVERINGS

Face coverings must be properly worn by participants and staff at all times. Participants will be provided with face coverings by New York Edge, but are also permitted to use their own face covering. Training will be provided to participants and families on the proper use of face coverings.

PHYSICAL DISTANCING

New York Edge programs will require that persons maintain six feet of distance between each other wherever possible. Indoor spaces will be reconfigured to adhere to social distancing requirements, and activities will be prepared to ensure social distancing between participants.

HAND HYGIENE

Hand washing and the use of hand sanitizer will be required for participants and staff throughout program time. New York Edge will ensure programs have adequate hand hygiene supplies, and promote consistent and thorough hand hygiene at all times.
